NEW RIFF SILVER GROVE RYE WHISKEY 2026

2026 Silver Grove is the first release under this label aged at least six years. The barrels selected for this blend stood out for flavors and characteristics we don't typically see in our 4 and 6 year old bourbon, profiles that immediately excited us from the first tasting. We built this blend around the barrels that showed the most character and as a result, this year's Silver Grove release offers a profile that is clearly distinctive from past releases. Available exclusively in the New Riff Gift Shop or can be purchased online for in-store pickup.

A portion of the proceeds from the Silver Grove release directly supports the Silver Grove Community Foundation, funding local initiatives that enhance the city's quality of life.
